

PETITION

We the residents of Lower Makefield Township and surrounding communities who have signed below hereby state our opposition to Frankford (Aria Health) Hospital's proposal to build a medical center ("Frankford Medical Center") at the corner of Stony Hill Road and State Route 332 in Lower Makefield Township, Pennsylvania (the "Property"). We find the proposed construction of Frankford Medical Center at the Property to be incompatible with the area and believe that it would negatively impact Lower Makefield Township and surrounding communities. As such we hereby petition:

1. Frankford Hospital to withdraw its plans for the building of Frankford Medical Center at the Property;
2. Lower Makefield Township to continue its opposition to Frankford Medical Center; and Surrounding Townships and Boroughs to oppose the Frankford Medical Center.
